Pricing:

1. Pricing remains fixed for the initial term. Price increases after the initial term, and for the duration of this contract will only be allowed when the price increase is based on documented changes in the vendors laid in cost of product or other discounts allowed and, may be adjusted up or down in an amount not to exceed the Consumer Price Index (CPI), appropriate for the commodity, as published by the United States Department of Labor.

2. The University will expect any increases to be consistent with those applied to other customers of comparable size and nature.
3. The University Purchasing Department must be notified of the increase a minimum of thirty (30) days prior to the effective date and, the vendor provides the University any and all documentation it may require supporting the proposed price increases.
4. No additional fees or surcharges, including fuel surcharges will be allowed.

New Arcade Game Rentals: All games provided must be factory new and have the ability to be token operated. All games must be supplied and delivered with inside delivery, installation and set-up and supplied with full training as required by the University. All maintenance is included with lease/rental price for T&M owned equipment.

Refurbished Arcade Game Rentals: Requests made by the University for Arcade games that are only available as refurbished are allowed with the approval of the University Representative requesting the specific equipment. All games must be supplied and delivered with inside delivery, installation and set-up and supplied with full training as required by the University. All maintenance is included with lease/rental price for T&M owned equipment.

T&M will change/substitute games based on popularity/usage as tracked by the University and the suggestions of the Student Union staff.

Technical Support and Maintenance: Local technical support, maintenance and repairs for each piece of rented equipment will be completed by physical presence of a qualified technician within 24 hours of notification by the University.

The equipment must be fully returned to operational capability within 48 hours of the original notification by the University. Should the equipment require parts, or for whatever reason, cannot be returned to fully operational status within 48 hours of the original notification by the University, T&M Distributors will provide comparable loaner equipment (as determined by the University) at no additional cost to the University until the original equipment is returned and accepted by the University.

As requested by the University, annual maintenance during the summer will be completed on each piece of equipment. All equipment on site shall be in working order before the start of the fall semester.

University Owned Equipment: See list of equipment and repair costs below.

Business Hours and Response Times: Service line open 24 hours a day - Non emergency service call response time is 24 hours. Sales open weekdays 9-5 - Saturdays from September to June 10-4. Closed Sundays.

Vandalism: The University shall be responsible for all damage, breakage, repair and replacement of any machine as a result of vandalism.
